# NSBE McMaster

## What is NSBE McMaster:

NSBE McMaster is a student-run chapter of the larger organization, the National Society of Black Engineers. Our mission is to 'increase the number of culturally responsible Black engineers, who excel academically, succeed professionally and positively impact the community. For that reason, through events like The Hunt and a series of academic workshops we help our membership of students become role models and leaders in the community.

We also partner with organizations that focus on supporting and uplifting pre-collegiate black students who have an interest in the STEM fields. One major collaboration is providing mentorship and instruction to Black elementary and highschool students interested in programming through partnership with Black Boys Code.

Treasurer

**Dayo Kehinde**  
Pre-Collegiate  
Initiative Chair

**Gabriella Effah-  
Wiafe**  
Communications  
Chair

**David Duroshola**  
Secretary

# The Hunt

## What is THE HUNT:

The National Society of Black Engineers is proud to present the **8<sup>th</sup> annual The HUNT 2023**. The HUNT is an event focused on the amalgamation of three major areas needed by students to succeed beyond their learning environment in the professional world. Activities include:

1. Resume critiques with professionals in various industries to get tips on how to stand out.
2. Mock interviews to help the student improve their interviewing skills in similar environments to actual interviews. Hence, improving their communication skills.
3. Networking opportunities with professionals and representatives of multiple companies bring students a step closer to getting their desired jobs.

A big emphasis of The Hunt is making sure that companies are there to present students with opportunities to get hired. It is our goal that each company present is hiring at least one student from the hunt.

## When & Where:

The event will be taking place on **February 4, 2023**. The event will be in-person and hosted around McMaster in the Hamilton region.

# Partnership Tiers

## Why Partner with Us?

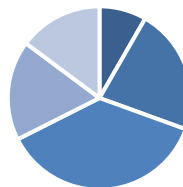

Partnering with NSBE McMaster provides an excellent opportunity to connect with hundreds of talented black students within the McMaster community.

### Outreach & Exposure

**350**

Students Attendees

### Promoting Diversity

- 1st Year
- 2nd Year
- 3rd Year
- 4th Year
- 5th Year +

### Access to Talent Pool

**250**

Resumes Collected

## Title & Scholarship Sponsor

Donated money will directly contribute to the NSBE McMaster Scholarship Fund which goes toward a Black first-year student accepted into the Engineering program at McMaster.

## Lead Up to the Hunt

In addition, companies can partner with NSBE-Mac to run "Lead Up To The Hunt" events from September to January. Companies can use their session times to showcase themselves to students. Topics that are most discussed include:

- Company culture, vision, and history
- Recruitment process, dates, and requirements
- Advice to students on getting through the recruitment process
